HELPING EVERY LEARNER SHINE

We involve. We innovate. We inspire.

WHY CHOOSE ISOCS?

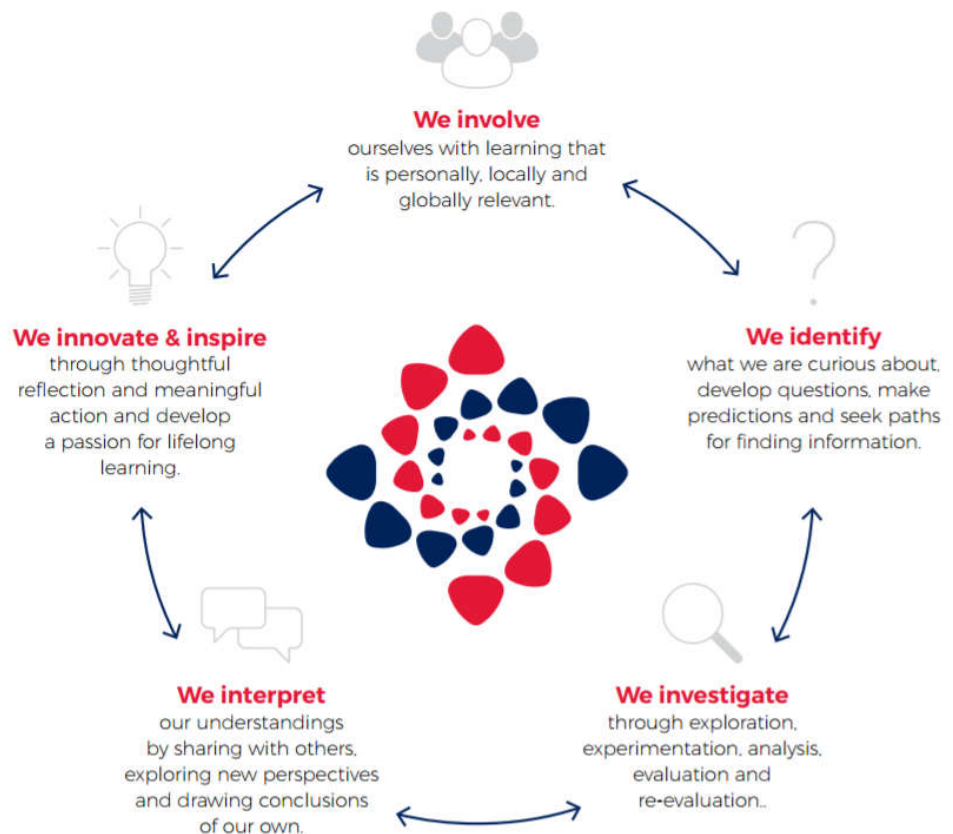

Our ISOCS team commits themselves wholeheartedly to help every member of our school explore, expand and exceed their unique fullest potential through education. We support each learner in discovering his or her true personal value and possibilities.

We help every learner shine!

HOW?

We integrate all our learning experiences through our three “I”s: We involve. We innovate. We inspire. This is brought to life in practice by engaging our students in the learning process represented in ISOCS’ Inquiry Cycle. Our approach allows us to craft an individualised learning experience for each student strengthening their personal skills, interests and abilities.

WHAT?

At ISOCS we apply the International Baccalaureate (18) framework in a multi-lingual, inspiring, and active learning community. We have Pre-School, Primary and Secondary classes supporting students from age three through eighteen years, to university entrance. ISOCS is heavily invested in our local community, offering weekly playgroups, after school activities and adult classes to involve and empower as many learners as we can.

WHEN?

ISOCS is a day school. Our classes are held Monday through Friday from 08:15 until 15:30. After school activities and care are available until 18:00 each school day. Our school year starts in August and ends in June. We welcome admissions throughout the year.

WE ARE ALTOGETHER ON ONE CAMPUS:

An international Pre-School, Primary School and Secondary School that feels like one big family

16 IS THE MAXIMUM PRIMARY CLASS SIZE:

WELCOME TO ISOCS!

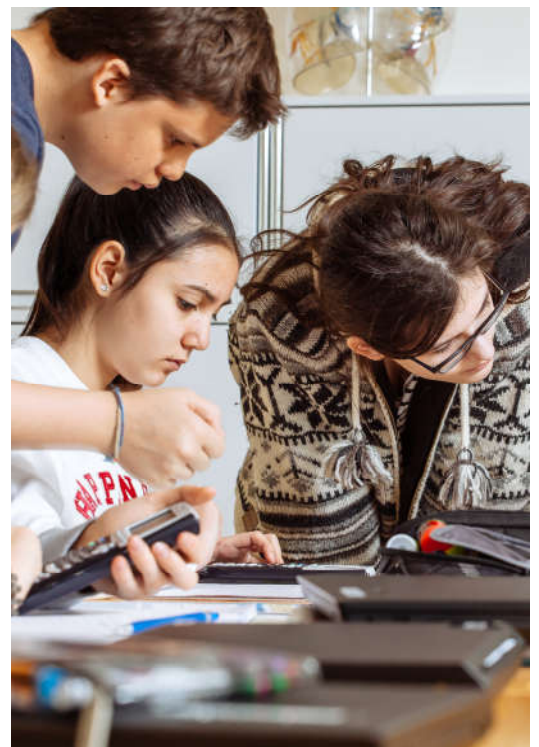

Nothing gives me greater pleasure than to welcome families to our involved, innovative and inspiring school community at the International School of Central Switzerland (ISOCS) in Cham, Zug.
